

Loomis would like to welcome our newest partner, Popeye's Louisiana Kitchen!

*We focus on your **cash** handling so that you can focus on your **business***

At Loomis, our focus is on being the specialists at creating efficient cash flow. Our company handles \$11 billion of cash each day, with over 100,000 customer locations, so you know you can count on our experience with providing innovative cash management solutions tailored to your specific needs.

Our wide array of integrated cash management solutions guarantee the safe, secure, and profitable flow of cash. Our customers count on Loomis to provide the products and services that improve profitability while reducing the costs and risks associated with handling cash.

In the US, Loomis operates the nation's largest integrated cash distribution network, with nearly 200 operating locations and over 8,000 Teammates. Loomis utilizes a fleet of approximately 3,000 vehicles to provide cash handling products and services to financial institutions and commercial/retail businesses. Secure armored transport, SafePoint Retail Cash Management solutions, ATM services, cash, coin and check processing, outsourced vault services are all components of the industry solutions Loomis provides.

*We focus on your **cash** so
you can focus on your **business.***
