

Solutions to keep your restaurant clean and **Ready for the Workday**[®]

Keep every corner of your facility at its professional best

MAT SERVICE

Protect your floors with professionally laundered rental mats — ranging from custom logo and scraper mats, to anti-fatigue and safety-message mats. With Cintas delivering fresh mats every week, you'll help keep your facility clean, you'll save time on mopping, and you'll reduce the likelihood of having to replace flooring.

MOP SERVICE

Dirty mops breed germs and bacteria. But with the Cintas rental mop service, you'll have peace of mind knowing your mops will be picked up, professionally laundered and returned every week. And you can choose the mops that best meet your needs — from microfiber tube mops and flat mops, to heavy-duty wet mops and dust mops.

TOWEL SERVICE

Don't waste time shopping, ordering, stocking or storing wipers. With Cintas wipers and industry-leading service, your shop is **Ready**[™] for almost any wiping job. From jobs that require more absorbency, to others needing strength and low lint or a rugged disposable wiper solution, we offer a full line of high-performance wiping products.

APRON SERVICES

Keep your employees' uniforms clean with our rental apron service. We'll launder your aprons each week so that every day your employees have a clean apron that allows them to do their job with ease and cleanliness.
